| ORG SUB-ACCT DETAIL | | | TE4 |
| WORK ORDER NO. DETAIL | | | TE5 |

NOTE:
THESE ENTRY POINTS RETRIEVE WEEKLY CHARGES.
DATA IS AVAILABLE FOR 10 WEEKS.

PERFORMANCE MEASUREMENT METHODS

- PC** — PERCENT COMPLETE — PERFORMANCE IS EARNED BY MANUALLY ENTERING STATUS OF WORK COMPLETED. THIS STATUS IS EXPRESSED AS A PERCENTAGE OF THE TOTAL WORK TO BE PERFORMED IN THE WORK PACKAGE OR COST ACCOUNT. INFORMATION MILESTONES CAN BE ENTERED BUT PERFORMANCE WILL NOT BE MEASURED AT THAT LEVEL.
- PCM** — PERCENT COMPLETE MILESTONES — PERFORMANCE IS EARNED BY MANUALLY ENTERING STATUS OF WORK COMPLETED. THIS STATUS IS EXPRESSED AS A PERCENTAGE OF THE TOTAL WORK TO BE PERFORMED AGAINST EACH MILESTONE WITHIN THE WORK PACKAGE OR COST ACCOUNT. PERFORMANCE IS EARNED AT THE MILESTONE LEVEL AND SUMMED TO THE COST ACCOUNT LEVEL FOR REPORTING.
- TPM** — TIME PHASED MILESTONES — PERFORMANCE IS MECHANICALLY EARNED (UP TO 80% OF PLANNED EFFORT) UNTIL A MANUAL STATUS IS ENTERED. MECHANICAL PERFORMANCE IS EARNED ON THE BASIS OF THE START DATE AND THE PLANNED TIME-PHASING. A MANUAL STATUS CAN BE ENTERED IF THE MECHANICAL STATUS IS OUT-OF-LINE; AND MUST ALWAYS BE ENTERED TO CLOSE (100%) THE MILESTONE. PERFORMANCE IS EARNED AT THE TPM LEVEL AND SUMMED TO THE COST ACCOUNT LEVEL FOR REPORTING.
- LE** — LEVEL OF EFFORT — PERFORMANCE IS EARNED AUTOMATICALLY BASED ON THE PLANNED TIME-PHASING OF THE WORK PACKAGE OR COST ACCOUNT. SINCE PERFORMANCE IS EARNED AS SCHEDULED, LEVEL OF EFFORT WORK PACKAGES OR COST ACCOUNTS WILL NEVER SHOW A SCHEDULE VARIANCE.
- ME** — MEASURED EFFORT — PERFORMANCE IS EARNED AUTOMATICALLY BASED ON ACTUAL START AND COMPLETE DATES. AN ESTABLISHED PERCENTAGE IS APPLIED TO LABOR AT THE START DATE AND 100% OF MATERIAL IS ALSO EARNED AT THE START DATE. THE REMAINING PERCENTAGE OF LABOR IS EARNED AT THE COMPLETION DATE OF THE WORK PACKAGE. USE OF THIS PERFORMANCE METHOD IS LIMITED TO MANUFACTURING.
- STD** — STANDARD PERCENT COMPLETE — (310 ACCOUNTS ONLY). PERFORMANCE BY WORK PACKAGE IS EARNED AUTOMATICALLY. MATERIAL VALUE IS EARNED WHEN WORK PACKAGE IS OPENED FOR CHARGES. LABOR VALUES EARNED ARE DETERMINED ON A WEEKLY BASIS FROM THE MANUFACTURING LABOR WORK MEASUREMENT SYSTEM. THIS STATUS IS EXPRESSED AS A PERCENTAGE OF THE EARNED STANDARD ON A WORK PACKAGE TO THE TOTAL STANDARD. THE OPTION IS LIMITED TO PROJECT TYPE 5 WORK PACKAGES.
- APP** — APPORTIONED EFFORT — (311 ACCOUNTS ONLY). PERFORMANCE IS EARNED AUTOMATICALLY IN DIRECT PROPORTION TO 310 PERFORMANCE. THIS STATUS IS EXPRESSED AS A RATIO OF THE 311 COST ACCOUNT BUDGET TO THE 310 COST ACCOUNT ASSEMBLY LABOR BUDGET.
