APRIL PROGRAM:

Volunteer Recognition Breakfast

April 16th, 9:00 AM – The VIP Club will host the annual Recognition Breakfast at the Roseville VFW for Club members who performed volunteer services in 2013. [Please review the “**Volunteer Breakfast Schedule and 2013 Survey Form**” on Pages 6 & 7 or on-line at <http://vipclubmn.org/volunteer.html>.]

April is National Volunteer Month; our Breakfast honors all VIP Club members who perform volunteer services wherever they reside. Last year, the 101 VIP Club members who responded to our 2012 Survey, donated over 21,000 hours to various organizations in Minnesota, `Arizona, Illinois, Texas, and Wisconsin. Twenty five of our membership had over 500 hours.

All members [and spouses] who respond to the “Volunteer Survey” are invited to attend this Breakfast. We will accept and count your survey information even if you aren’t able to attend the recognition breakfast. Forty seven members attended the Breakfast last year and we hope as many or more will participate this year. Management representatives from Lockheed Martin and Unisys will be in attendance as our guests.

Two deadlines for our membership: 1) to be listed in the breakfast program, please complete your survey submission by April 2nd and 2) The Club has to provide the VFW with a head count by April 11th. **IF your attendance plans change, the Board would appreciate a call or e-mail as we pay the VFW for the head count ‘plates’.**

PRESIDENT’S MESSAGE

April is national volunteer recognition month. Volunteerism is the giving of one's own time and talents for the benefit of others. Each of us does a little or a lot for organizations or neighbors or causes about which we care - usually keeping in the background. For some, a simple 'yes, I can handle that' statement has turned into virtually a full time job! I've noted that the Dakota County Historical Society has had a volunteer recognition lunch and that my church has had thank you volunteer events.

I personally want to thank all of our Club members who have given of their time and talents to a wide variety of organizations during 2013. In particular, I appreciate the unsung efforts of about a dozen retirees who have spent dozens and hundreds of hours cataloguing photos at the Lawshe Museum.

We, the VIP Club Board, thank Bernie Jansen and Frank King for processing the 2013 survey responses and to Joe Schwarz for editing the printed program. And thanks to several 'background' individuals who have taken care of bits and pieces to make our volunteer recognition breakfast happen. Respectfully;
Lowell A. Benson

SOCIAL ACTIVITIES

RECREATION GROUPS:

GOLF

The Valleywood golf league on Wednesday is strongly considering a move to Southern Hills on Hwy 3 a short distance south of Rosemount. This is because of some discontent with Valleywood and the inability to get good tee times. Anyone wanting to join this league as a team or as an individual please contact Keith Behnke for more information.

ROSEVILLE GOOD OLD DAYS

REUNION: Things are on track for the Good Old Days Reunion on Friday, April 25th in the Atlantis ballroom on the lower level at the Mermaid in Mounds View. We have the room from 10:30 AM to 3:30 PM, volunteers at 10 AM please.

If you used to work in Roseville, have friends that did, or just like to get together with people that used to work for Univac/Unisys, this could be an event for you. An entry fee of \$1 will be charged to cover the room rental, but everything else is up to you. A selection of foods will be available at a reasonable cost and the bar will be open. If you plan on attending and have not already done so, send a message to Tom Turba at TNTurba@comcast.net so we can get a count of the number of people. Indicate if you plan on eating. This is again expected to be a very large event. Pass the word on to your friends and come together. Thanks, *Tom Turba.*

2014 VIP Club Picnic:

Really? Planning for a picnic? As I write this, the temperature last night was minus 8 degrees and there is still three feet of snow on my front lawn. But being the eternal optimist we have saved the date of June 11th for the Great VIP Club Get-Together and Picnic at the Highland Park Pavilion (last year's location), 1270 Montreal Ave, St. Paul. We will start a little earlier this year - 3:30PM for food and be done by about 7:30PM. Once again since we are planning for a big group, we will have additional parking at the Highland High School parking lot with bus service to the Pavilion, but more on that in the coming months. We're making the cost simple this year: \$5/person, \$10/couple, \$15/you & two friends. Please RSVP by June 4th to: VIP Club P.O. Box 131748 Roseville, MN 55113-0020 with your money and name(s) so we can print a nametag and have enough food. Look forward to seeing everybody there.

Volunteers Welcome – contact John Westergren for job assignments at 952-358-1174 or jwestergren@frontiernet.net

Norwegian Syttende Mai:

In 1973 Dick (Ole) Olson was a co-Founder of an employee gathering to celebrate Norwegian Constitution Day (grunnlovsdag). The annual 2014 *Syttende Mai* lunch/old friends gathering will take place Friday, May 16th at Casper's Cherokee Sirloin Room, 4625 Nichols Road, in Eagan. The 2014 *Syttende Mai* is hugely important in Norway this year as it marks the 200th anniversary of the Norwegian Constitution. Come and celebrate with fellow Norwegian-Americans and renew acquaintances with former coworkers (Norwegian and non-Norwegian alike). The cost remains unchanged from last year at \$16.00 for the buffet lunch with ribs, chicken, salmon, and beef stroganoff. The buffet will open at 11:15 and the program will start at 11:45. Reminiscing and socializing afterwards is open-ended and encouraged. To sign up or for other information, email Dale Torgerson at dale.o.torgerson@gmail.com (612-597-3714) or Dale Phelps at rsanford@usfamily.net (952-831-7843) - Email is preferred. The speaker for this year's program will be Chip Laingen, director of the Defense Alliance in MN. Chip is the son of Bruce Laingen, a 100% Norwegian Minnesotan and the leader of the American hostages held for 444 days in Iran (1979-81). Chip will speak of his Norwegian heritage, his work with the Defense Alliance, and share his father's stories from the Iranian hostage crisis and the impact it had on the family and the nation. Chip's bio is available at

Investment Club:

If you currently manage your own investments or would like to learn more about investing, you might be interested in the retiree investment club that meets at the Unisys building in Roseville. The club is open to current employees, but currently only has past employees. It meets once a month from 11:00 a.m. to 1:00 p.m. on the Thursday before the 3rd Friday of the month. If you are wondering, "Why the odd day for a meeting?", it is because the club sometimes invests in options that are synchronized with the 3rd Friday of the month.

One of the main purposes of the club is education. As stated in the bylaws: "The purpose of the association shall be to venture financially from time to time in diversified investments, primarily for the education aspects involved". If you think you might be interested

in finding out more about the club, you can contact the current president: Tom Turba, Email: TNTurba@comcast.net, Tel: 651-489-0779. People who are thinking about joining the club are welcome to attend a meeting and check things out before making a decision.

My computer system

This system was built with an interface based on plans shown in the June 1972 MCS-8 manual to connect the SIM8-01 to the MP7-02 programmer and a teletype. In the Nov. 1972 release, Intel provided the hardware to interface the system. It was called the MCB8-10 and was shown on the cover of the manual. Nearly all known systems look like these shown below.

LIGHTER SIDE

Norwegian Text Message: Ole sends a text to Lena: "Lena, I'm having one more beer with Sven. If I'm not home in an hour; read this message again!"

Why I Like Retirement: How many days in a week? Six Saturdays & one Sunday.

When is a retiree's bedtime? Two hours after he falls asleep on the couch.

How many retirees to change a light bulb? Only one, but it might take all day.

What's the biggest gripe of retirees? There is never enough time to get everything done.

Why do retirees count pennies? They are the only ones who have the time.

Why are retirees so slow to clean out the basement, attic, or garage? The IT Legacy committee hasn't exerted enough pressure!

Among retirees, what is considered formal attire? Tied Shoes.

What is the common term for someone who enjoys work thus refuses to retire? NUTS

What do retirees call a long lunch? Normal

Why does a retiree often say he doesn't miss work, but misses the people he used to work with? Because he doesn't want to hurt someone's feelings.

What do you do all week? Monday through Friday, NOTHING; Saturday and Sunday, I rest.

What's the biggest advantage of going back to school as a retiree? If you cut classes, no one calls your parents.

Always Remember This: You don't stop laughing because you grow old; you grow old because you stop laughing!

A Northport Engineering 'Bette Mottoes' card: IT'S OK TO LET YOUR MIND GO BLANK; but please turn off the sound.
