### JUNE PROGRAM:

#### The Annual Reunion Picnic

Join us at the VIP Club Get-Together and Picnic at the St. Paul Highland Park Pavilion on Wednesday, June 10<sup>th</sup>. *We will start earlier this year - 3:00 PM* for food and then we should be done around 7:00 PM.

Once again, since we are planning for a big group, we will have additional parking at the Highland Park High School parking lot with bus service to the Pavilion. The high school lot is to the west of this map.

The cost is a little different this year, \$5.00 per member (spouse or significant other is counted as a member). RSVP with the form on page 7 by June 2<sup>nd</sup> so that we can have enough food, print a nametag, and schedule the shuttle bus. Last year we had about 300 attendees. Unregistered drop-ins will be charged **\$10 at the name tag table**. We look forward to seeing everybody there. If anyone wants to have additional fun by volunteering to help with preparation, serving, or clean-up, please contact John Westergren at [jwestergren@frontiernet.net](mailto:jwestergren@frontiernet.net) or 952-358-1174.

Donate your artifacts here too. By *John Westergren*

### AUGUST PROGRAM

#### Mississippi Sightseeing

On Wednesday, August 12<sup>th</sup> you can enjoy a cruise on the Mississippi River with retirees from Unisys and Lockheed Martin on the Jonathan Padelford for only \$10. The historically narrated sightseeing cruise runs 2 and ½ hours starting at 12 noon. Sights along the way include: the St. Paul High Bridge, Pig's Eye's Cave, Minnesota River mouth, Pike Island, and the timeless splendor of the mighty Mississippi River.

The cruise offers a full 'cash' bar as well as snacks such as hot dogs and popcorn. No outside food or beverage can be brought onboard. Boarding will start at 11:45 AM, so plan to arrive early and remember your camera!

Page 7 has the registration form, due before July 10<sup>th</sup>.

The Padelford Riverboats and the Centennial Showboat are both located on Harriet Island; however, they are located on different sides of the park and have separate parking lots. The difference in directions is so minor that a few of our passengers end up in the wrong place. Please keep this in mind and read the directions carefully. Submitted by *Tom Turba*

**PRESIDENT'S MESSAGE**

*Looking to the Future!* ERA opened its doors in 1946 so 2016 will mark 70 years since the beginning of our heritage companies and our IT Legacy. Our club has existed for half of that time. Among our current membership are twelve 90-year olds – most are WWII veterans. At the Club's picnic in 2006, I recall Don Weidenbach commenting: "I worked for the company for 30 years and have been retired for 30 years!" Thanks to Don and the others for their writing and artifact contributions to our IT Legacy at CBI, the Lawshe, and to our website. A few years ago, the Club Board passed a resolution to give any/all 90-year old members a life membership, i.e. no more annual dues. So, as you read this please let us know when your milestone birthday occurs. I believe that Manny Block reaches that age later this year.

Our membership database entries have dropped below 1,000 for the first time since 2007! You, as a current member, can influence your former co-workers to 're-join' or to be a 'new' member. Your May directory has 98% of our membership so you should be able to check if a friend isn't a member. Invite him/her to attend the picnic or Mississippi river cruise with you. If he or she is less than 55 years old, they could become Associate Members – recruit, recruit, recruit for 2016!

And, I urge you to consider joining the Club Board. Our commercial systems' retirees (plant 4) are grossly under represented on the Board! For 2016 we have a need for a Vice President and a Director (or two or three.) Contact me or 2015 VP Keith Behnke to discuss what you could do for the future of the VIP Club. Sincerely, *Lowell Benson.*

**REPORTS, LEGACY ACTIVITIES**

Web Site 'Article for the Month': For June, we posted "MATCALs – A 30-Year Life". Ron Irwin sent a 2014 item written by Emily Strotman, NAWCAD Public Affairs Communication Support. "NAVAIR's Marine Corps Expeditionary Air Traffic Control (ATC) Systems Integrated Product Team completed the demilitarization of its Marine Air Traffic Control and Landing Systems (MATCALs) this fall."

"Thus, it looks like MATCALs has finally reached the end of its life cycle. It had a 30-year life cycle that seems remarkable since it still had 1980 hardware technology. It just goes to show that LM/UNISYS/SPERRY built a great system (hardware and software) and made it to last. The last update to the chronological support of MATCALs was to say the software support ended in 2010. The hardware support must have continued by SPAWAR until last year."

"P.S. We have had periodic luncheons over the years with the people still living and in the area who worked on the software at Mare Island. Our last luncheon was on 4/18/2015 with seven of us meeting to enjoy a get-together: Gordy Erickson, Vern Sandusky, Dennis Larson, Scott Hovey, David Kreiss, Foster Poole, and I were in attendance." from *Ron Irwin*, edited by *LA Benson*.

**Volunteer Recognition Luncheon Report:** On April 15<sup>th</sup> the VIP Club hosted a Volunteer Recognition Luncheon for Club members who performed Volunteer Services in 2014. The Luncheon was held at Joseph's Grill in St. Paul. A collage of photos taken by Nick Benson at the Luncheon is shown on page 5.

A total of 106 Unisys and Lockheed Martin retiree members who responded to the *Newsletter* survey donated 25,968 hours to various non-profit organizations in Minnesota, Florida, Kansas, Virginia,

and Wisconsin. Fifty members and guests attended the Luncheon. Lowell Benson, VIP Club President welcomed the attendees and Bernie Jansen, VIP Club event-chairman chaired the overall Program; he summarized the survey results recognizing all volunteers and noted we had thirty-five Outstanding Volunteers in 2014 (over 500 hours.) He also noted that the estimated value of the reported Volunteer Services contributed by VIP Club members for the year 2014 exceeded \$626,600. **Roseville Good Old Days:** The eighth Good Old Days reunion for people that used to work at Univac/Unisys in Roseville was another success with somewhere between 380 and 400 people attending on April 24. Countless memories were shared and old friends reunited. The pictures of the event that were taken by David Wilhelm, are up on the web, <https://picasaweb.google.com/dewilhelm53/RosevilleGoodOldDays2015?feat=email>. The date for next year's Good Old Days reunion is set for Friday, May 6, 2016.

The Godfather tells the lawyer, "Ask him where the money is." The lawyer, using sign language, asks Guido, "Where's the money?" Guido signs back, "I don't know what you are talking about." The lawyer tells the Godfather, "He says he doesn't know what you are talking about." The Godfather pulls out a pistol, puts it to Guido's head and says, "Ask him again or I'll kill him!" The lawyer signs to Guido, "He'll kill you if you don't tell him." Guido trembles and signs back, "OK! You win! The money is in a brown briefcase, buried behind the shed at my cousin Bruno's house."

The Godfather asks the lawyer, "What did he say?" The lawyer replies, "He says you don't have the guts to pull the trigger." - - - - - You gotta love lawyers!!

**Better Mottoes:** IT'S OK TO LET YOUR MIND GO BLANK, but please turn off the sound!  
SEE ME WHEN YOU WANT A LITTLE HELP, I can give you as little as anyone.

**LIGHTER SIDE**

**The Book Keeper:** A Mafia Godfather finds out that his bookkeeper, Guido, has cheated him out of \$10,000,000.00. His bookkeeper is deaf. That was the reason he got the job in the first place. It was assumed that Guido would hear nothing and would therefore never have to testify in court. When the Godfather goes to confront Guido about the missing \$10 million, he takes along his lawyer, who knows sign language.
