PRESIDENTS MESSAGE

Many years ago, one of the political parties in Minnesota adopted a theme of "There Ain't No Such Thing as a Free Lunch!" Well, times have changed; on April 10th, you all have a great opportunity to prove that statement false. Of course, I am referring to the VIP Club annual Volunteer Recognition Luncheon at Joseph's Grill in St. Paul. Thru the years, the club members have been outstanding volunteers in their individual communities, and the Club is very pleased to recognize the contributions of all of you by hosting a **FREE lunch**. Josephs serves great food, has plenty of room, and it's a good opportunity to socialize with your fellow volunteers and find out some of the many ways our members are giving of their time to their favorite organizations and groups. So, sign up now (*mail, email, or on-line*), mention your favorite volunteer activity, and then join us on April 10th!

On the topic of supporting organizations, the VIP Club will be celebrating a milestone in 2019 - 40 years ago Millie Gignac had the vision to launch an organization to support retired employees in maintaining the connections that they developed over their working careers. There will be more on a celebration later this year, but in the meantime, you can all encourage fellow employees to join the Club. Anyone who ever worked as an employee of ERA/Univac in the Twin Cities, or any of their follow-on organizations (including Sperry, Unisys, Loral/Lockheed) is eligible to join, either as an associate member (under 55) or as a voting member (55 up). The corporate presence of our past employers is diminishing, but the Club is still here after 40 years. Come and join us! Happy spring to each of you!

Harvey Taipale, VIP Club President.

SOCIAL ACTIVITIES

Sports and Recreation: The Unified Legacy Golf League (the combined Unisys and Lockheed Martin leagues) is preparing for the 2019 season. The league has 261 members that play in 4 different leagues (each at a different course and each on a different day) and 10 scheduled tournaments, utilizing different formats (we averaged over 100 per tournament in 2018). New individual members or teams are invited to join us for 2019 which will start with a tournament in mid-April and league play the first week of May. We are specifically looking to add teams to our Wednesday league at Southern Hills (located between Rosemount and Farmington on Hwy 3) that has a special low rate for seniors. We have a

shotgun start at 4:00 PM then finish between 6:00 and 6:30. Please contact Keith Behnke, <mailto:keithbhnk@comcast.net> for more information.

Winter Party Re-cap: The VIP Club had its annual Holiday Dinner Party on Sunday, January 6 at the Lost Spur event center, cash bar available before dinner.

1. Boni W. & Keith B. at nametag table. The forty attendees were treated to a get re-acquainted hour followed by an excellent meal. Then we enjoyed an outstanding performance by the Eagan Men's Chorus with an assortment of Holiday songs.

2. Chorus is directed by Kathy Andrews. It surprises me that more Club members don't take advantage of this event. We have tried to make it convenient by scheduling it after the busy holiday season and during the afternoon to make travel easier. [And for two years in a row we've avoided the Viking's NFL playoff game TV time! ☺]

3. Thanks to Steve Andersen and Keith Behnke for contributing photos.

4. Strawberry Cheesecake was a success!

5. Hostess Geri Lockrem in background.
Everyone that attends raves about the food, service, and entertainment so hopefully more will be interested in the future.

6. Tables of 8 were conversation sites.

Keith Behnke, VIP Club Past President.

Jack Benny Year! At the December Club Board meeting, it was noted that we are now in 39th year of operation. Club milestones are listed hereunder:

1979, Sperry HR Director Millie Gignac recognized that there was camaraderie among retirees thus set about planning for a retirees club.

1980, in August the Club was formed as the Sperry Retirees Club with the opening of a club room in the Shepard Road facility. 75 members elected Al Mueller as president, established a constitution, wrote by-laws, and began group volunteerism planning.

1984, we registered with the Internal Revenue Service as 'Sperry Retirees' Club', a 501c (7) - non-profit social and recreation club. Al Mueller started Newsletters.

2000, the Twin Cities Lockheed Martin MS2 organization petitioned the Club board to become a sponsor. The Constitution was changed, incorporating this sponsorship – change was approved by a plurality of ballots returned by the members in June of 2000.

2002, Joe Schwarz started a Yahoo Club web site.

2005, the VIP Club celebrated its 25th year at the annual June picnic. The Legacy Committee was formed in October with Richard 'Ole' Olson and Lowell Benson as co-chairs. Dick Lundgren was the first VIP Club member volunteering to serve on the committee. He then scheduled a meeting with CBI.

2006, the VIP Club Board updated the operational Bylaws to reflect current modes of operation, i.e. activity coordinators versus committee chairpersons.

2007 October: In response to an application coordinated by Lowell, the IRS accepted the Board's resolution to change the VIP Club name from "Sperry Retirees Club" to "VIP CLUB". Also, the board authorized combining the Club and Legacy project's web sites onto a Microsoft hosted 'free' site, the URL, <http://vipclubmn.org> was available.

2007, November the Club in conjunction with the Legacy Committee formed a Sesquicentennial Team to promote our Legacy during Minnesota's 2008 150th celebrations. Thanks to Dick Lundgren for the idea.

2008, April the board authorized annual archiving of a web site copy on a CBI internal host for future research use. Board members at that time were Lowell Benson, Brian Berggren, Quint Heckert, Bernie Jansen, Lynn Farris Lindholm, Dale Phelps, Joe Schwarz, Marion Scott, and Tom Turba. This board also authorized storage of a paper newsletter set at CBI and added them to our database as 'Friend' to receive all future newsletters.

2008, December the board granted [Member Emeritus](#) awards to Millie Gignac, John Dufour, and Bernie Jansen for their long term service to the board and Club. Millie as the founder, John for shepherding the Club through the merging of UNISYS and LMCO retirees, and Bernie for coordinating Volunteer recognition breakfasts for over a decade. Each has also actively supported the board after her/his office terms.

2009, January Dick Lundgren and Lowell Benson with their grandsons attended the Minnesota Sesquicentennial final event, the sealing of a time capsule for the 2058 Minnesota Bicentennial. We put several items into this time capsule including a [report](#) about our Sesquicentennial activities. The first of those activities was a May display on the Capitol Mall.

2009, June the board granted a [Member Emeritus](#) award to Charles and Midge Homan for their long-term service to the Club, specifically picnic coordination during and after Chuck's 2-yr board presidency.

VIP Club March/April 2019 Newsletter

2009, November the Club took on financial responsibility for the 'Defense' Annual UNIVAC Old Timers Reunion and for the 'Commercial' Roseville Good Old Days annual events.

2009, December the board granted a [Member Emeritus](#) award to Warren and Dorothy Becker in recognition of their decade of coordinating the annual Christmas party as well as serving on the board of directors, continuing after Warren's board presidency.

2010, January the Club signed a one-year agreement with the University of Minnesota to display Legacy posters and artifacts in the Walter Library. Tom Turba and Lowell Benson set up the displays.

2010, October the Club celebrated 30 years with a [history booklet](#) distributed to members attending a special program at the UNISYS, Roseville facility. CBI's Dr. Tom Misa was the featured speaker. Thanks to Quint Heckert for developing the booklet, thanks to LMCO for the printing and binding. We also awarded a [Member Emeritus](#) certificate to Marion Scott in recognition of her 29 years coordinating Red Cross blood drives.

2011, August 3 the Board ratified the [Constitution](#) change ballots, then approved [Bylaw](#) updates to move forward without the direct sponsorship of Lockheed Martin and with reduced support from UNISYS.

2013, August 13 the Club celebrated the opening of our [Legacy exhibit](#) at the Lawshe Memorial Museum in South St. Paul. Lockheed Martin had gifted the Legacy Committee's collection of artifacts, photos, and some documents to the Dakota County Historical Society in December 2012 as LMCO was closing their main Eagan facility. Legacy Committee Co-chair John Westergren coordinated the transfer.

2014, April 16 the Club granted a [Member Emeritus](#) award to Tom Turba in recognition of his creation of and continuing coordination of the Roseville Good Old Days annual event as well as his numerous years serving on the Board and Legacy Committee.

2015, April 16 the Club awarded the first [Volunteer Extraordinaire certificate](#) to Keith Myhre recognizing his skill and initiatives in support of the Lawshe Memorial Museum. This recognition is named the [Jansen Certificate](#), recognizing Bernie and Kathy Jansen's decades of support to the Club's volunteerism as well as their Dakota County Historical Society board support work.

2015, September 9 the Club celebrated with an open house at the Lawshe Memorial Museum. That event recognized the museum staff and volunteers' efforts in completion of a Minnesota Legacy grant to develop posters and exhibit support material. We've linked 16 posters from the topics' listings in section 3 of [our exhibits page](#).

2016, April 19 the Club awarded the second [Volunteer Extraordinaire certificate](#) to Richard 'Dick' Lundgren recognizing his decade of newsletter Legacy articles and newsletter program articles plus his initiation of our interactions with the Charles Babbage Institute in 2006 and the Minnesota Sesquicentennial Commission in 2007.

2017, September an open house at Unisys, Eagan [celebrated a successful transition](#) of the commercial computer history shadowboxes from Roseville to Eagan. Also displayed 16 Legacy storyboards borrowed from the Lawshe Memorial Museum.

2018, January 7 the Club granted a [Member Emeritus](#) award to Dale Phelps in recognition of his decade plus serving the board as VP, President, Past President, and Director for program planning.

2018, April 11 the Club awarded the fourth [Volunteer Extraordinaire](#) certificate to Allan Douglass recognizing his 1,000⁺ hours of service to Boy Scouts and his church's organizations.

2018, April 15 the club awarded the fifth [Volunteer Extraordinaire](#) certificate for Tom Turba's dedication to the Boy Scouts, the VIP Club, and his Roseville community; given posthumously to his wife Virginia at Tom's Celebration of Life.

2018, September 13 the Club sponsored an Open House and Legacy Display at the Lawshe Memorial Museum in S. St. Paul. We celebrated phase I of a State of Minnesota grant to develop a Twin Cities Public Television (TPT) documentary including introduction of a new web site by U of MN researcher Liz Semler, <https://mncomputinghistory.com/>. LEGACY ACTIVITIES

Thanks to Mark Plait: His micro-bio is the 175th 'career summary' of our Legacy Anthology. In 2006, then CBI Director Dr. Arthur Norberg told us that if we could gather 200 career summaries, we would have the ERA story. Thus, the Legacy Committee's 'tell the story' is now ~85% complete! If we don't have your part of the ERA/UNIVAC/Sperry/UNISYS/LMCO history, send it to jwestergren@frontiernet.net or labenson@q.com. There is yet room for project and product stories too, updates to your career summaries are also welcome.

When will we be done? Maybe at our 40th Celebration!

Spin-offs: Northport Engineering was a 1956 UNIVAC spinoff that provided electronic components to Twin cities companies as manufacturers' agents, <http://vipclubmn.org/Spinoffs.html#Northport>. As an advertising gimmick in the 70s, they sent customers monthly cards with a motto on one side and a product or other company information on the other. Enjoy Better Mottoes witticisms listed in the Lighter Side.

LIGHTER SIDE

"Better Mottoes" by B.M.A. Inc. via Northport Engineering Inc.

- A word to the wise is resented.
- Don't think of me as superior but simply as a friend who always just happens to be right.
- Double your pleasure, Xerox your pay check.
- For the man who has everything – *an income tax audit.*

- He who hesitates gets bumped from the rear.
- He who laughs last had to have it explained.
- Help people in trouble and they'll always remember you – *when they're in trouble again.*
- Hire teenagers now while they still know everything.
- I'm a man of few words – *as I've told you a million times.*
