

This Annual 'Jansen'  
*Volunteer Extraordinaire*

Certificate Is Awarded To

**David Wilhelm**

David has been willingly (on his own initiative) taking photos at our **Roseville Good Old Days** Reunion since it's inception in 2008.

He places them on-line for all to see, especially those who could not attend due to schedule or health. It has been a powerful tool in keeping the reunion going and enabling us to look back through these 16 years when one of our associates passes.
