

2025 Holiday Party

January 5th at the Lost *Spur*

We were greeted by host Boni Westberg and husband Jim.

There were about 35 dining, 16 singers, a bar tender, and two waitresses at the event. I think that four of the club members were also singers. The coffee bar was ready when we arrived for those who chose not to have a beer or glass of wine.

We thoroughly enjoyed the food, company, and Christmas music concert by the Eagan Men's Chorus. This group was the Sperryaires from 1982 until 1994.
